

Dear Dancing Family,

The MAMA staff is once again preparing wonderful classes packed with great technique, inspiring choreography and lots of fun for all! We are looking forward to Academy performances & activities this dance school year. MAMA is a special place where students can come move, explore, have fun, meet new friends and be active!

Please take a moment to read through the Enrollment Information, there are great classes on the 2017-2018 schedule with offerings for the whole family! Everyone can move and have fun at MAMA! It is our wonderful families that make our school a special place for students to enjoy coming to each week for their dance lessons.

2017-2018 Enrollments are now being accepted. Class sizes are limited to ensure the best instruction for each student at every level. Many classes fill up quickly, your early enrollment assures a spot in class and also ensures that the classes you want to take will run, especially for the smaller more specialized classes such as Cabaret and Acrobatics. Our Young Dancer classes fill up very quickly, don't wait until September

Enrollment Confirmation will be mailed to you after Enrollment Form is received. Confirmation will have student's classes listed, tuition amount, school year calendar, dress code and general Academy information. If for some reason you do not receive the confirmation please call or email us at mama@mamadancestudio.com.

2017-2018 Class Placement

Dance school year begins the week of September 11, 2017

Thank you for choosing Monadnock Academy of Movement Arts for your dance education.

We are excited to start a fresh new year, passing on the skills of dance & movement arts to your children.

The Academy highly recommends that all dancers ages 7 or older wishing to progress to the advanced levels of dance study Ballet as it is the foundation all of technical dance styles, greatly improving a dancer's line, strength, stamina & technical ability for all other genres of dance.

Students wanting to take Pointe Class must attend a minimum of 2 Ballet technique classes per week.

A Ballet class is required for Modern, Jazz or Lyrical students at intermediate level 3/4 & higher as they all have a large degree of Ballet technique incorporated within the movement.

Advanced Hip-Hop, Cabaret & Tap students are not required to take Ballet but it is recommended.

Please call us for assistance with scheduling or pricing: 603.924.8900

Thank you for your continued support, it's truly a joy & privilege teaching the children of Monadnock.

Every effort is made to ensure proper placement for each student according to age and technical ability.

Students are assessed during the first two weeks of classes in the fall, assuring proper placement.

**Asterisks indicates level for your Student (s).*
